Bottle Coolers

*Underbar Equipment
 Super Deluxe Series*

**3 YEAR PARTS & LABOR
 WARRANTY**

Model : TBC-65SD/SB

TBC-65SD

TBC-65SB

FEATURES & BENEFITS

■ Efficient refrigeration system

Turbo Air's refrigerators are designed with oversized and balanced R-134A (CFC Free) refrigeration systems. These include efficient evaporators and condensers for faster cooling and greater efficiency.

■ Forced air cooling system

Positive guided forced air cooling system chills bottles on top first.

■ Stainless steel cabinet construction

Super Deluxe (SD) models boast a stainless steel exterior (except galvanized steel back and bottom). SB models are attractive wear-resistant black vinyl exterior. Heavy gauge stainless steel countertop and glide lids are perfect for sanitation and durability. Interior is stainless steel except galvanized steel top. Turbo Air Bottle Cooler model guarantees utmost in cleanliness and long product life. It also can add a touch of style to the most refined setting.

■ High-density polyurethane insulation

The entire cabinet structure is foamed-in-place using high density, CFC free polyurethane insulation.

■ Rugged built-in removable bottle cap opener and cap catcher

■ Adjustable, heavy duty, PE (polyethylene) coated dividers

Heavy duty 10mm thick pure grade PE coated adjustable bin dividers are provided for maximum storage use.

■ Side mount compressor unit

By positioning the compressor on the side of the unit, refrigerators can now be serviced without being moved. Our innovative, front breathing feature also allows this model to provide high efficiency in narrow spaces.

■ Huge capacity cooler cabinet requires only minimum floor space

■ Refrigerator holds 33°F ~ 38°F for the best in beverage preservation
